## THERAPIES

### Multiple benefits

Available in the ThermoMasseur® category, Nokori Oval 6737 model offers all the therapeutic benefits of **Hydro-thermo massage**®—relaxes body and mind, relieves back pain, stimulates blood flow, and eliminates toxins.

Geysair™ technology is also available for this collection. Geysair further enhances the benefits of Hydro-thermo massage while providing a feeling of uniform heat, improving lymphatic drainage, and maintaining water temperature for a longer period.

You can also add **chromatherapy**, and **Thermotherapy**® to the Nokori Oval bath. Reconnect with your vital energy and savor pure relaxation thanks to the beneficial effect of color vibrations on the senses.

In the Nokori Oval model, **aromatherapy** can be used by adding essential oils directly to the bath water, where they deliver their many benefits.
