SHINING STAR

LIBRA STELLA 7038

Stella, a name with Latin roots, gracefully translates to "star", one that shines brightly and beautifully – adding a celestial touch to its timeless charm.

While the Libra constellation reminds us of universal balance, the Stella bath integrates gently into this collection, with its curved lines, identical sides and unique character which stands out like a shining star.

Magnificent and imposing with its dimensions of 70" x 38" x 25", and with perfectly symmetrical backrests, Stella will bring relaxation and comfort for two bathers while enjoying their thermomasseur bath.

This rising star also offers as options, Illuzio chromatherapy as well as the brand new Aromaflow essential oil diffuser that is perfectly integrated into the bath's overflow. Indulge in the divine allure of Libra Stella, turning your bath into a sanctuary of earthly bliss.

LIBRA 6632

With its outstanding symmetrical lines and universal look, the **LIBRA 6632** freestanding bath evokes liberty and fluidity of movement.

The identical soft slopes of the interior walls brings comfort and relaxation for one or two bathers.

The look is timeless and refined, creating a sweet simplicity that easily compliments any bathroom décor.

Libra freestanding, the harmony of its design brings a feeling of balance and peace.

HARMONIOUS DESIGN

LIBRA OVAL 6635

The graceful oval-shaped shell of the **LIBRA OVAL 6635** features harmonious lines and perfect symmetry as intended by this signature collection.

The Libra Oval is generously sized to accommodate one or two bathers. The raised ends provide comfortable headrests while molded armrests ensure a supremely restful bathing experience.

AN ARCH OF LIGHT ON THE HORIZON

LIBRA AURORA 6634

Taking its name from Greek and Roman mythology, Aurora announces the coming of the sun or the dawn of a new day, as color and light begin to illuminate the night sky.

Like a wave of light opening its arch on the horizon, Aurora's shape opens outward as its back rises.

Keeping with the balanced theme of the Libra collection, the perfectly symmetrical design includes a strong upper lip that creates a halo like feel and frames the top with a strong and elegant accent.

While you may live in a metropolitan city, you can still enjoy the colors of the Aurora Borealis (Northern Lights) with BainUltra's Illuzio chromatherapy in the bath and feel the light dancing through the water as you enjoy your Hydro-Thermo Massage®.
