Air vent necessary: 2″ X 4″ minimum

Our products must be installed by certified professionals only and according to our Owner's Manual as well as federal, provincial/state and local building codes and regulations (www.bainultra.com/documentation/documentation).

Approx. shipping weight	285 lbs
Turbine power	755 W
Air heater	700 W

WARRANTY

Controls-LED-Geysair*	5 years
Bath & turbine*	20 years

*Some restrictions apply | www.bainultra.com/warranty

The specifications shown indicate the outer edge dimension and the inside bathing capacity dimension measured at air jets' height. The manufacturer accepts a 1/4″ [0.64 cm] variance. There are variations on each product and specifications are subject to change as we improve upon our product as required. The dimensions needed for site preparation and structure building will differ. BainUltra® assumes no responsibility for preparatory work done prior to the product being on site.
