# CELESTIA™

A Source of Eternal Beauty

 BainUltra®

# EXPERTISE BEYOND COMPARE

Michelangelo's "David" was sculpted from a large solid piece of marble and Rodin's "The Burghers of Calais" is in bronze.

Each of these priceless sculptures, are monumental pieces of art history that exist in different mediums and materials.

BainUltra® is known for its quality bathtubs, made of materials that brings durability and timelessness, while respecting environmental concerns.

For centuries, artisans have explored and experimented with the characteristics of different materials to achieve their lofty designs.

# FINESTONE™

Celestia™ brings about the next evolution for BainUltra in a new medium. Celestia baths are made with FineStone™, BainUltra's new high quality solid surface material.

FineStone is composed of refined minerals and pure liquid acrylic. Pushing the limits of design and technology, it was developed to realize a new world of design possibilities.

Our skilled craftsmen have brought our expert artisans dreams to life with an impeccable attention to detail and quality.

*"The most beautiful experience we can have is the mysterious. It is the fundamental emotion that stands at the cradle of true art and true science."*

— Albert Einstein

# A MEETING OF HEAVEN AND EARTH

## CELESTIA 6233

Feminine, ethereal and strong, Celestia™, means of the sky. When crafting this new bath collection, we took inspiration from the sky; the feeling of grandeur of looking at the night's vault of heaven and seeing the sparkling glow looking back.

Everything is and once was made of stardust. Our earth, the minerals, what we find in it has a profound connection with the heavens above.

# SOMETHING TO BEHOLD

## CELESTIA 6635

"The crest of a wave, her elegance  
and perfect curve, the power above  
conceals stillness below."

Without compromising the comfort and ergonomics that BainUltra is famous for, the composition of the Celestia™ freestanding baths' sweeping thin lines that bring forth an association to sculpture.

As a beautiful work of art in a museum, Celestia is the center piece of any bathroom, a jewel that captures attention and pleases the eye.

FINESTONE™ IS A HIGH QUALITY SOLID SURFACE MATERIAL COMPOSED OF REFINED MINERALS AND PURE LIQUID ACRYLIC.

BATHS MADE WITH FINESTONE ARE AVAILABLE IN THE **TUB** CATEGORY.

Designed with care, FineStone offers a new way to enjoy BainUltra bathing:

- Thermal insulant; hot temperature resistant
- Strong, resistant, and durable
- Light/color resistant, no color bleed or wear
- Non porous, hygienic and easy to clean
- Can be easily repaired

Bath models made with FineStone are offered in White, Satin Finish.
